

Our Approach

TO COMMUNITY SUPPORT

At Hilton, we're committed to sustainable travel and tourism. Every day, we work to make the world a better place, driving positive social and environmental change across our operations, our supply chain and our communities. Being responsible social and environmental stewards is ingrained in our culture; it's who we are and who we always want to be.

OUR PRIORITIES

Responsible travel and tourism starts with caring for our communities to foster resilient local ecosystems. We invest our skills and expertise to build capacity and resilience in the communities where we live work and travel.

- **Social Impact:** includes projects that support sustainable economic growth by increasing opportunities for emerging local businesses to succeed in the global value chain; disaster support; critical services including housing and hunger/food insecurity; human rights and prevention of child trafficking and support services for survivors.
- **Environmental Impact:** includes projects that assist in the protection, conservation and restoration of the natural resources and habitats needed to sustain our business; projects that educate and inform our team members and franchisee employees, guests and communities about sustainability; waste and recycling initiatives, support for sustainable sourcing and purchasing, especially in the food and beverage category.

SPECIAL FUNDING FOR DISASTER SUPPORT:

Each year, approximately 275 million people worldwide are affected by natural and man-made disasters. Team Members and franchise employees have consistently displayed a passion for supporting the communities where disaster strikes. The Hilton Responds Fund was developed to act as a vehicle for Hilton Team Members and franchise employees to donate voluntary funds to support short-term relief and long-term rebuilding efforts following a disaster.

At designated times throughout the year, the company will activate matching campaigns for the Fund to create readily accessible resources to distribute to affected Team Members in times of disaster as well as for building local capacity.

Only campaigns that are pre-determined and/or meet the guidelines for a matching donation campaign will be matched with company dollars.

MILITARY SUPPORT:

In the U.S., Hilton has a strong commitment to helping those who have served in the U.S. armed forces.

Creating Opportunities: Through Operation: Opportunity, Hilton made a commitment in 2013 to hire 10,000 veterans over five years. We are proud that we have accomplished that goal in only three years and have now committed to hire an additional 20,000 veterans and their family members. In conjunction with partners like the US Chamber of Commerce-Hiring our Heroes and several veterans programs, Hilton provides opportunities for military veterans and their spouses to become a part of the Hilton family through employment at our properties and corporate offices across the United States. For more information on Operation: Opportunity, please visit jobs.hilton.com/military or contact military@hilton.com.

Hilton Honors Points and Stay Certificates: Through Operation: Opportunity, millions of Hilton Honors points have been donated for free hotel stays to help veterans and their spouses find employment. Through a public/private initiative with NASWA, the organization distributes Hilton Honors points to state agencies that administer employment services and job training programs at

over 2,500 American Job Centers (AJCs). Veterans and spouses are able to use these Honors points to travel for job interviews, training, certification or job relocation at any company.

ON-PROPERTY MILITARY DISCOUNT:

Hilton offers a discount up to 10 percent that is valid at hundreds of participating hotels across the country for active and retired U.S. military who book with a special rate code and present a valid military I.D. at check-in.

UNSOLICITED REQUESTS FOR FUNDING:

The majority of Hilton's community support is given to organizations and strategic partners that drive value for both the business and local communities. In general, we do not accept funding requests.

TEAM MEMBER REQUESTS:

Hilton values the recommendations of our Team Members and are happy to review any suggestions for global or regional organizations that meet the established community support as outlined above. Recommendations should be sent to corporateresponsibility@hilton.com with "Community Support Organization Recommendation" in the subject line. Hilton does not currently offer matching gifts programs (outside of specific Hilton Responds disaster relief initiatives), dollars for doers or time off for volunteer service, and is unable to honor individual Team Members requests for funding, sponsorship or in-kind donations.

HILTON HONORS MEMBERS AND SHAREHOLDERS:

Hilton values our most loyal guests, Honors Members and shareholders. Though the majority of Hilton grants are made in conjunction with ongoing strategic partnerships, we are happy to accept recommendations for global or regional organizations that meet the established Community Support Guidelines outlined above. If you feel your organization meets these Guidelines, please submit your request through Versaic and it will be reviewed.
